# TRIMESTER 3 - 2016-2017
## Senior and Junior Seminar Meetings and Due Dates

### SENIOR SEMINAR MEETINGS AND DUE DATES

| Due Dates | Senior Seminar Components and Directions |
|---|---|
| **Friday, April 28th** | All Students need to have completed:<br>• 100 of Service and 25 each of Creativity and Activity hours. *French Immersion students need 50 of these hours to be in French; Spanish Immersion students need 50 of these hours to be in Spanish.**<br>• one more reflection or piece of evidence for one of your most meaningful CAS activities or moments in the last term of your 12th grade year – a piece of evidence that is a photo or something else creative or visual is highly encouraged here.<br>• Your **final reflection**. This is a more substantive reflection than most that discusses how you have changed over your entire CAS journey. See the next page for details. |
| **Wednesday, May 3rd** | **12th Seminar meeting for all students who have not yet finished the class** – anyone who has not completed CAS, The Group Project or the Final Reflection ***must*** come to seminar today and must fill out a contract of how they intend to finish the class, which will be sent home to parents as part of midterm reports. Computers and teacher help will be available. |
| **Friday, May 12th: Midterm** | Midterm reports will reflect whether or not all 12th grade students are done with requirements for the class (other than the May 31st celebratory meeting). |
| **Wednesday, May 31st<br>Required Meeting** | CAS and IB Testing are done! Celebratory meeting/discussion for 12th Seminar. Please attend Seminar for a discussion in which students will be invited to celebrate their most important moments of CAS over the last two years (What challenged you most? What was a moment you hadn't expected? What was most fun? Most Strange? What was a moment when you looked around and realized you were the person who had to step up to a leadership role?) |

*If you are a student who ***has completed*** all of your CAS hour requirements ***before the beginning of Spring Trimester***, then we ask that you please submit at least one piece of evidence showing that you are continuing your CAS into Spring Trimester in a meaningful way. That said, your grade may not be as dependent on the number of hours so much as on this evidence of your continued CAS experience.

If you have questions about the above requirements, please ask your Seminar teacher or refer to the CAS handbook on the Eugene IHS website or in Files in Managebac.

JUNIOR SEMINAR MEETINGS AND DUE DATES

| Due Dates | Assignments and Seminar Meetings |
|---|---|
| **Wednesday, April 12th**<br>**Required Meeting** | • Required Seminar Meeting to introduce 3rd Trimester Seminar Requirements.<br>• Parent/Student Review and Verification Form is due to your Seminar Teacher.<br>• Work session with your Seminar Teacher –Computers will be available. |
| **Wednesday, April 19th**<br>**Required Meeting** | In-class session aimed at preparing students for the Evidence and Notes Assignment, which is due on this Friday, May 5th. |
| **Friday, May 5th** | • Essay Advisor/Technical Advisor Form Due.<br>• 15 hours of CAS planned and approved. This is necessary for a passing midterm grade.<br>• Evidence and Notes Assignment is due to your EE Page in ManageBac. |
| **Wednesday, May 10th**<br>**Required Meeting** | Required Seminar Meeting: We will review expectations for the Blueprint Assignment and the Works Cited that should accompany it, and why these matter. |
| **Friday, May 12th** | Midterm. Midterm grades are based on<br>• Having obtained approval for fifteen (15) CAS hours for third trimester on your ManageBac CAS page<br>• Your Essay Advisor/Technical Advisor Form<br>• The grade for your Evidence and Notes Assignment<br>• Attendance in seminar |
| **Wednesday, May 24th**<br>**Required Meeting** | Seminar Meeting/work session. This is the last seminar before the Blueprints are due (in 2 weeks). Please bring any work you have completed and questions you may have about the Blueprint to class today. |
| **Friday, June 2nd** | Blueprints are due to your EE page in ManageBac. |
| **Wednesday, June 14th**<br>**Required Meeting** | Required Seminar Meeting to wrap up the term and discuss how to handle CAS and EE over the Summer. Anticipated IB diploma candidates will complete their first reflection section of the "Reflections on Planning and Progress Form" (RPPF). |
| **Friday, June 16th** | CAS Due for Term 3: 15 hours of CAS completed, with supervisor reviews. 2 reflections or pieces of evidence for these hours. Please see scoring guide for how these entries are graded. |
