Parent Report.

We discussed schedule, and CAS Fair. Good support and input at that meeting, Direction of parent group was also discussed. We've had no meeting since. There is a meeting coming soon. Jan28 is the meeting.

A number of new folks made the meeting exciting. Lloyd discussed a site he is maintaining for this purpose.

Staff report. Steve... Staff development is ongoing, and is the focus of our in service day. We'll discuss the new grading system (proficiency) and the common core.

It's what we do. The common core is a nationwide standard system, It is evolving.

We had a meeting last week. We worked on survey Q's, and got those to Steve. This Sunday we began our T shirt contest. We also received both EEF grants, Eurasian Conference

IB Stats: Marilyn on IB "stuff"

Report on past, where we are now, and the IB Review. It will happen this year. IB Results chart is passed around. We did really well with Full IB Diploma rates last year.

5 year report on IB participation. Our rates of participation are holding strong,

The evaluation process is elaborate.

We are focusing on the areas in the last review (2009) that were noted as needing improvement. The form handed out is our springboard for comments on what we're doing, and what could be done to strengthen these areas.

We are breaking up into small groups. This will be a warm up, and we will focus on this in our next Site Council meeting.

We adjourned.
