Spanish Immersion Program

Mission Statement:

Como ciudadanos globales en la Escuela Preparatoria Internacional de Eugene, aspiramos dar valor a la diversidad, ambigüedad y al descubrimiento y actuar con responsabilidad, integridad y compasión.

As global citizens at Eugene International High School, we aspire to value diversity, ambiguity, and discovery— and to act with responsibility, integrity, and compassion.

Spanish Immersion in Eugene IHS at Sheldon High School is distinguished as one of the few secondary school language immersion programs in the western United States.

Eugene International High School is the winner of the 2007 Goldman Sachs Foundation Prize for Excellence in International Education and the 2004 International Studies Schools Association Award for Excellence in International Education

The Program

Spanish Immersion is a rigorous program in which students complete as much as 50% of the coursework over twelve years in Spanish. In June of 1994, the first students completing twelve years of a Spanish Immersion Program graduated from Eugene International High School on the Sheldon High School campus.

The Spanish Immersion Program is a unique magnet program, focusing on students developing fluency and using Spanish in interdisciplinary studies which culminate with the International Baccalaureate and Advanced Placement curriculum. Many Spanish Immersion students sit for the International Baccalaureate Higher Level Spanish examination as seniors and score above the international mean.
