Morning IB exams begin at 8:30 and afternoon exams begin at 12:30. Dates and times for IB exams **may not** be changed. Gray boxes indicate some IB conflicts with AP exams. If this applies to you, be sure to register for alternative AP exam. IB exams take place in multiple sessions. For each subject test there will be two sessions. The exams are not taken at the high schools, we provide off campus locations for all exams. IB Economics will have a 1:00 pm start time to allow for a late finish for the AP Spanish exam.
