2. Complete three years of world language study.
3. Complete 150 hours of CAS (Creativity, Activity, Service).
4. Satisfy requirements for high school graduation.

Eugene IHS students who have not met the requirements for the Eugene IHS diploma may still participate in the Eugene IHS graduation ceremony if they meet their host school's requirements for participation in the host school's graduation ceremony.

Early Graduation: Eugene IHS juniors who plan to graduate early from their host schools at the end of junior year must complete the year of Eugene IHS courses in IB Comparative Political and Economic Systems, IB History of the Americas, IB Literature of the Americas, and Junior Seminar; must meet all host school graduation requirements; and must work with their counselors on a district-approved early graduation plan. Early graduation does not qualify the student for the Eugene IHS honorary diploma.

Junior and Senior Seminar

All Eugene IHS juniors and seniors are scheduled into a seminar class (for seniors the title of the class is IB Extended Essay for two trimesters and IB CAS for one). The purpose of seminar is for students to develop community mindedness, independent learning habits, self-reflection, and research writing skills. Junior seminar also covers the high school graduation requirements known as the Career Related Learning Standards (CRLS).

Seminar is a mandatory class that meets at each campus one hour before 1st period on Wednesdays. Usually the Wednesdays alternate between junior and senior seminar, but not always. Please refer to the **seminar meeting calendar** on the Eugene IHS website for the specific dates students need to attend (www.ihs.4j.lane.edu).

Seminar meeting dates will also be included in the junior and senior seminar packets which are online as well. Students will receive these packets, which also contain assignments and due dates, on the first day of seminar.

Junior seminar is a graded class where students earn letter grades. Senior seminar is graded as Pass/No Pass. A student must pass all Eugene IHS courses in the junior and senior years to earn the Eugene IHS Diploma; this includes the seminar classes.

Eugene International High School Schedule

Eugene International High School has a unique schedule, one of its features as an alternative school.

The Eugene IHS schedule provides:

- A block of time that allows for integrated study and a variety of instructional strategies.
- A structure that allows a cohort group of students to share the same classes and teachers for the year, thus establishing a learning community in which students are encouraged to think critically, to challenge ideas, and to be respectful of the ideas of others.
- Instructional time that facilitates student presentations, group work, guest speakers, panel discussions and simulations.
- Common planning time for the staff to meet in teams to collaborate on curriculum, learning activities, and the needs of students.

Eugene IHS students are enrolled in either the Eugene IHS morning block or afternoon block. The rest of their day is spent in the host school attending classes in mathematics, science, language, physical education, and other courses of their selection. The morning block is during Periods 1 and 2 at each campus and the afternoon block is during Periods 4 and 5 at each campus. (See the *Eugene IHS Bell Schedules* at the end of this newsletter for block times at each campus.)

Eugene IHS courses are year long and are offered in a 3-day rotation with the days designated as A,B,C (see the *ABC Rotation Calendar* at the end of this newsletter). You can also view this calendar, as well as other information, on our website at: www.ihs.4j.lane.edu.

Eugene IHS teachers are available for conferences with students and parents by appointment. You can also contact the Eugene IHS office at each campus to leave a message for a teacher.

International Baccalaureate (IB)

IB Learner Profile: *“The aim of all IB Programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.”*

Eugene International High School is one of 17 International Baccalaureate Schools in Oregon offering the IB diploma program. The International Baccalaureate program is open to all interested students who are academically motivated. The International Baccalaureate is becoming more widely known among university communities and across the country IB scores are being accepted for college credit by an increasing number of universities. Now nearly every North American university has a credit policy regarding IB and increasingly gives weight to IB in determining admissions. We hope that your student will seriously consider participation in IB as we enter into the new school year. It is a decision that should, ultimately, be made by the student, but advice and encouragement from a parent is always helpful. We hope to see you this fall.

To Parents of Incoming Juniors and Seniors:

Students will be making decisions on whether to participate in IB testing at the beginning of their junior and senior years. We try to facilitate that decision making process for students and parents in a number of ways.

- **MARK YOUR CALENDARS!** The IB Parent Information Night will be on September 27th at 7:00 PM in the Auditorium at the Ed Center. This night is geared towards parents of juniors, but everyone is welcome.
- IB Parent Handbooks are handed out at the IB Information Night and are also available after that at any of the Eugene IHS offices and online on our website at: www.ihs.4j.lane.edu.
- Class counseling sessions are offered in your student’s Eugene IHS classes at the end of sophomore year, the beginning of junior year, and the beginning of senior year. We will also provide individual counseling for interested juniors starting the first week in October.
- Registration forms for juniors are handed out to students during counseling sessions with teachers. Seniors are invited to a special IB counseling session at each campus before school starts and can get registration forms from Jocelyn Harley, IB Coordinator.
- An IB information night for sophomore parents and students will be held on **February 8, 2018** at 7:00pm in the Ed Center Auditorium.
- For more information the Eugene IHS/IB website can be accessed at: www.ihs.4j.lane.edu.

IB REGISTRATION DEADLINE:

Non-refundable IB fees and completed registration forms are due on October 16th in the Eugene IHS office at each campus.

TRAVEL SCHOLARSHIP

Due to a generous donation from alumnus Brian O’Kelley, Class of 1995, Eugene IHS is able to offer a travel scholarship. Scholarships are awarded based on financial need and academic merit. Scholarship applications will be available in Eugene IHS offices beginning **Monday, October 2nd**. Scholarship funds can be used for recognized and organized travel or study programs. For more information about the scholarships or for information on how to donate to the fund please contact one of our Eugene IHS offices.

It’s your world. Explore it!

Student Government

Eugene IHS Student Government is gearing up for a great year!

Eugene IHS Student Government is a student council geared toward creating unity across our three campuses, celebrating IHS’s unique culture and students, and inspiring awareness about global issues and making steps toward change. We organize cross-campus events such as the Eugene IHS Celebration and the classic Penny Wars. Eugene IHS Student Government allows the IHS student body to have a voice through our representatives on Site Council at each campus and the School Board. These representatives allow the student body to be aware of major decisions being made and have a say in these decisions. Look for signs in the hallways at each campus of what Eugene IHS Student Government is up to and how you can join.
