Dear Student Government Members and Staff Advisor Ms. Jenny Hehnke,

On behalf of the International Organization for Migration (IOM), I would like to extend our profound gratitude for your \$1,393.69 contribution to provide critical humanitarian assistance to displaced populations. IOM applauds Eugene International High School and its Student Government Members for your commitment to global humanitarian causes and clear demonstration of compassion. We greatly appreciate your generosity in assisting IOM to uphold its mission and support programs that aid migrants and refugees worldwide.

Given the significant needs of the displaced populations, IOM will be using your contribution to assist the Rohingya who have fled Myanmar for Bangladesh. Since violence intensified in August of last year, nearly 700,000 people have been forced from their homes, over half of whom are children. This is an ongoing crisis where families – experiencing persecution, the death of family members, and the destruction of their villages – have risked everything to reach some measure of safety in Bangladesh.

While the situation is dire, IOM is on the ground and dedicated to aiding affected populations. Your contribution will support IOM's effort to alleviate immediate needs by providing shelter, essential aid, water and sanitation, and health and psychosocial support to the most vulnerable.

I would also like to take this opportunity to invite you to follow IOM's nonprofit partner in the United States, USA for IOM, to stay abreast of initiatives to engage with the American public on ways to raise awareness of IOM's humanitarian work. Please visit www.USAforIOM.org or follow us on social media @USAforIOM.

Thank you once again for your generous contribution.

Sincerely,

Luca Dall'Oglio
Chief of Mission, IOM Washington
