7. **IB Extended Essay (senior paper)***
During junior year, our Eugene IHS students embark on an in-depth study of a topic of their choice. The outcome is a research paper due during the beginning of the senior year. These topics run the gamut: biology, physics, sports medicine, sailboat design, architecture, organic farming, music, art, environmental issues, state and local legislation – just to name a few. If you have expertise in a field and would be willing to mentor a young person in his or her research, your help would be much appreciated.
